

Llewellyn's emotions became too much for him, so he bottled them up.

Write about a time that you felt overwhelmed by your emotions.

HOW DID YOU OVERCOME THAT FEELING?

In *Out of a Jar*, Llewellyn puts all of his emotions in jars and locks them away. In his first adventure, *In a Jar*, he puts experiences and memories in jars to share with others. What would you put in a jar?

DRAW IT BELOW!

In *Out of a Jar*, emotions are depicted using different colors.
Do you associate different emotions with certain colors?
Use crayons, markers, or colored pencils to show which
colors you associate with each of the below.
